NOCTON PARISH COUNCIL

Dear Planners:

The Nocton Parish Council wishes to formally lodge it's position to the Lincolnshire County Council's Local Plan. The Council notes that from a review and research, all the sites that were originally highlighted for Nocton have now been rejected. The Councils wishes to state that it supports the position of the sites in Nocton being rejected as the Council feel that it would be a serious detriment to the community and the available infrastructure resources.

The Council would like to state that should the decision to review the sites in Nocton again in the future, it would wish to be formally consulted as the impact of any housing development is of a serious concern and the effect on the community.

Regards,

Nocton Parish Council
